Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	During the spring of 2021, Kent County Health Department and hospital partners collaborated with the Convention and Arena Authority to operate a vaccine clinic at DeVos Hall. Making space for the clinic required cancellation of multiple events at DeVos. This is to reimburse the lost revenue from the cancelled events.

Project Name: School Safety Radio Network

Project Identification Number	FRF020
Project Expenditure Category	6-Revenue Replacement
Project Expenditure Subcategory	6.1-Provision of Government Services
Status To Completion	
Adopted Budget	\$2,837,500.00
Total Cumulative Obligations	\$1,440,800.00
Total Cumulative Expenditures	\$0.00
Current Period Obligations	\$1,440,800.00
Current Period Expenditures	\$0.00
Project Description	The School Safety Radio Network is a dedicated radio network that allows for direct communication between the over 280 K-12 schools located throughout the Kent County Intermediate School District and 911 dispatch centers. The radio network enables school administrators to communicate directly with first responders in real-time. Direct communication can be critical to ensure the appropriate resources are available to end a critical incident as quickly as possible or implement school safety protocols such as lockdowns or altered busing and pickup/drop-off.

Project Name: Fuller Campus Clinic Modification

Project Identification Number	FRF001
Project Expenditure Category	6-Revenue Replacement

Project Expenditure Subcategory	6.1-Provision of Government Services
Status To Completion	Completed less than 50%

Total Cumulative Obligations	\$265,876.00
Total Cumulative Expenditures	\$47,173.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	"This project is a capital expenditure to renovate a portion of the main health department clinic in Kent County, which was last renovated in 2005. It has significantly outgrown the current footprint and is not longer able to meet service delivery needs of the County's residents, especially with the increased demand due to COVID-19. This clinic is located within a Qualified Census Tract (according to HUD's 2022 QCT map). The funds will support a portion of the renovation, including: increasing the size of the waiting room, biologics room used for vaccine storage and preparation, and clinic lab, and increasing the size and number of clinic rooms and client restrooms. "

Project Name: Knapp Corner Drain Project

Project Identification Number	FRF002
Project Expenditure Category	5-Infrastructure
Project Expenditure Subcategory	5.6-Clean Water: Stormwater
Status To Completion	Not Started
Adopted Budget	\$2,000,000.00
Total Cumulative Obligations	\$0.00
Total Cumulative Expenditures	\$0.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00

Project Description	<p>"The Knapp's Corner Drain is a stormwater retention facility that primary purpose is to hold the runoff from impervious areas and slowly infiltrate into the ground. The retention basin has failed in that it no longer infiltrates making it a hazard to the surrounding homes. The project will create a force main to pump the storm water runoff into a secondary detention basin that has an outlet. The water will then be slowly release into a waterway.</p> <p>Secondarily, there was elevated chloride and sodium concentrations in the groundwater that impacted the surrounding drinking water wells to the adjacent home owners. Hydrogeologic investigation linked the Knapp's Corner infiltration basin as an impact on these elevated levels. With the design, we intend to capture the runoff a second time with another storm water detention facility and through a channel prior to its discharge into the Grand River.</p> <p>Successful completion of this project will reduce the risk of flooding to county residents and reduce the cost of maintenance."</p>
